About Etex

Etex is an international building materials specialist; the company wants to inspire people around the world to build living spaces that are ever more safe, sustainable, smart and beautiful.

Founded in 1905, headquartered in Belgium, Etex is a family-owned company with over 13,000 employees globally. It operates 101 production sites in 42 countries and generated a revenue of EUR 2.9 billion and a REBITDA of EUR 483 million in 2019. Etex fosters a collaborative and caring culture, a pioneering spirit and a passion to always do better for its customers.

Building on its experience and global market needs, the company strives to improve its customers quality of living with ever more effective lightweight solutions. Its three R&D centres support five global sales divisions:

- Building Performance: dry construction solutions including plasterboards and fibre cement boards, plasters and formulated products, passive fire protection and associated products.
- Exteriors: a range of aesthetic fibre cement materials for use in agriculture, architectural and residential exteriors.
- Residential Roofing: concrete and clay roof systems including tiles and roofing components.
- Industry: fire protection and high performance insulation products for the construction and OEM (Original Equipment Manufacturer) industries.
- New Ways: high-tech offsite modular solutions based on wood and steel framing
